GotExams.com, is owned and operated by Exuber Software Solutions Private Limited. GotExams values your trust. In order to honour that trust, GotExams adheres to ethical standards in gathering, using, and safeguarding any information you provide.

Exuber Software Solutions Private Limited (operating under the brand name GotExams), is a software development company, incorporated in India. For the sake of brevity of understanding this Privacy Policy the company will be hereinafter referred as GotExams.

GotExams is committed to maintaining the privacy of your personal information. Our information collection and handling practices for this site are set forth below.

This privacy policy governs your use of the application, 'GotExams Learning App' ("Application"), [www.gotexams.com](http://www.gotexams.com) ("Website")

## How we handle your information

We do not sell personal information about users of our websites to third parties, nor do we share such information, except as set forth below.

We will also release information about you if you direct or authorize us to do so, if we are compelled by law to do so, or in other legally limited circumstances (for example, to prevent fraud).

## Alerts

GotExams may use your information to alert you by email or phone (through sms/call) to inform you about new service offerings or other information which it perceives might be useful for you.

## User Communications

When you send an email or other communication to GotExams, it may retain those communications in order to process your inquiries, respond to your requests and improve our Services.

## How we safeguard information

We use commercially reasonable physical, electronic, and procedural safeguards to protect your information from loss, misuse, and unauthorized access, disclosure, alteration, and destruction in accordance with applicable law. Please be aware that despite our best efforts, no data security measures can guarantee 100% security all of the time. If you have online account access, we recommend that you take steps to protect against unauthorized access to your password, phone, and computer by, among other things, signing off after using a shared computer, choosing a robust password that nobody else knows or can easily guess, and keeping your user name and password private. If you become aware of any suspicious activity relating to your account, it is your responsibility to contact us immediately.

## Changes to this Statement

As the Company (Exuber Software Solutions) evolves, its privacy policy will need to evolve as well to cover new situations. You are advised to review this Policy regularly for any changes, as continued use is deemed approval of all changes.
